Dear Sir

I read in High TREASON 2 by Livingstone that I could obtain copies of Whitewash I, Whitewash II + Photographic Whitewash. Please send me information on how I can obtain these pieces of work. I'm a student of the Kennedy Assassination. I also believe that the Zapruder Film is a fake + used to trick + hide the real assassins.

NAVY CORPMAN

I was stationed at NNMC Bethesda in 1970 11. I was called "on the carpet" on day because I was asking too many question about that nite (Nov 23rd). I was told to shut-up + stop asking question. They told me that what happen that nite was + is none of my business. It was a family request to keep it quiet. And a week later I was transfered out of Bethesda to MCDEC Quantico Va. (Marine Corp Base)

I also never believed that JFK was never shot from the Grassy Knoll, as a side shot But rather a little further down at the Manhole Cover.

I'll be waiting to hear from you.

Sincerely,

JERRY DRAFTON
